**1 Podívejte se na rodinu duchů. Co o nich můžete říci? Jak jsou staří? Kde žijí?**

Řekněte, že poslech je o duchách. Zeptejte se, kde je můžeme najít (nechte studenty hádat). Poté si mohou přečíst úvodní text. Znovu se zeptejte. Zeptejte se i na farmu. Existuje ještě? Co duchové? Jaká jsou jejich jména? Jak jsou asi staří? O koho jde?

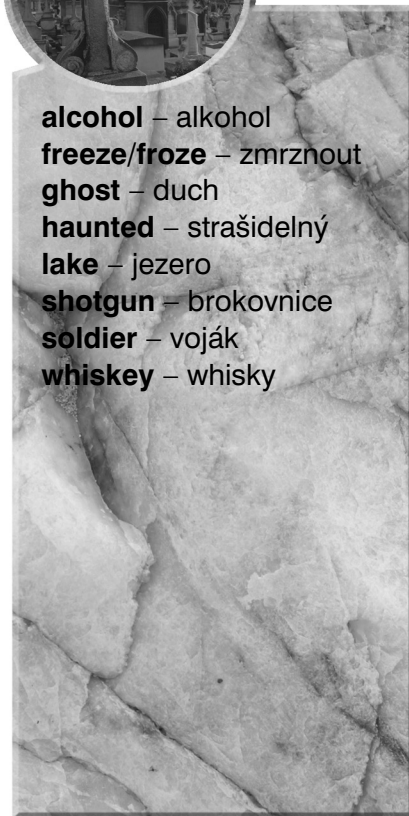

**2 Poslouchejte vyprávění o duchách. Spojte jejich jména a roky úmrtí.**

Před poslechem nechte studenty hádat, kdy duchové zemřeli. Na všechny duchy se zeptejte a používejte jejich jména, aby si studenti jména a roky z náhrobku zapamatovali. Pusťte poslech (i vícekrát) a vše společně zkontrolujte.

**3 Poslouchejte znovu a zjistěte, jak zemřeli.**

Před poslední částí opět společně hádejte. Projděte všechny možnosti a zkuste je rozvést. Je na vás, abyste studentům nějak nenápadně poradili. Např. první světová válka... Kdy vlastně byla? Poté podle roku úmrtí je vše jasné. Co se mohlo stát v jezeře? Někdo neuměl plavat. Kdo byl nejmenší? Co je podivné na Rudim? Proč je v něm díra? Atd... Neprozrazujte však, jestli mají studenti pravdu, nebo ne.

**HAUNTED HOUSE**

**Once there was a young man called Max. He was a boxer. He fell in love with a doctor, Jane. They got married and built a very nice farm by a lake. They had three children, Tom, Rudi and Peggy. The family was very happy.**

Everything changed in 1897. Peggy went for a walk alone. She went to the lake and fell into the water. She couldn't swim and the water was very cold. They found her in the lake next day. She was dead.

Rudi died two years later, in 1899. He found his father's shotgun and started playing with it. "Hey, I've got daddy's shotgun. Wow..." BANG... Rudi shot himself in the living room. He died two minutes later.

Tom died in 1911. It was a very hard winter that year.

Tom went to a pub with his friends. He drank whisky and became very drunk. He left the pub alone. When he was going home, he stopped to have a rest and he fell asleep. It was a very cold winter night. He never woke up again. He froze to death.

Max died in 1918 in the First World War. First, he joined the army and became a soldier. He tested the first tanks in Canada. Soon he went to Europe to fight. Unfortunately, he was shot somewhere in Germany. He died in hospital.

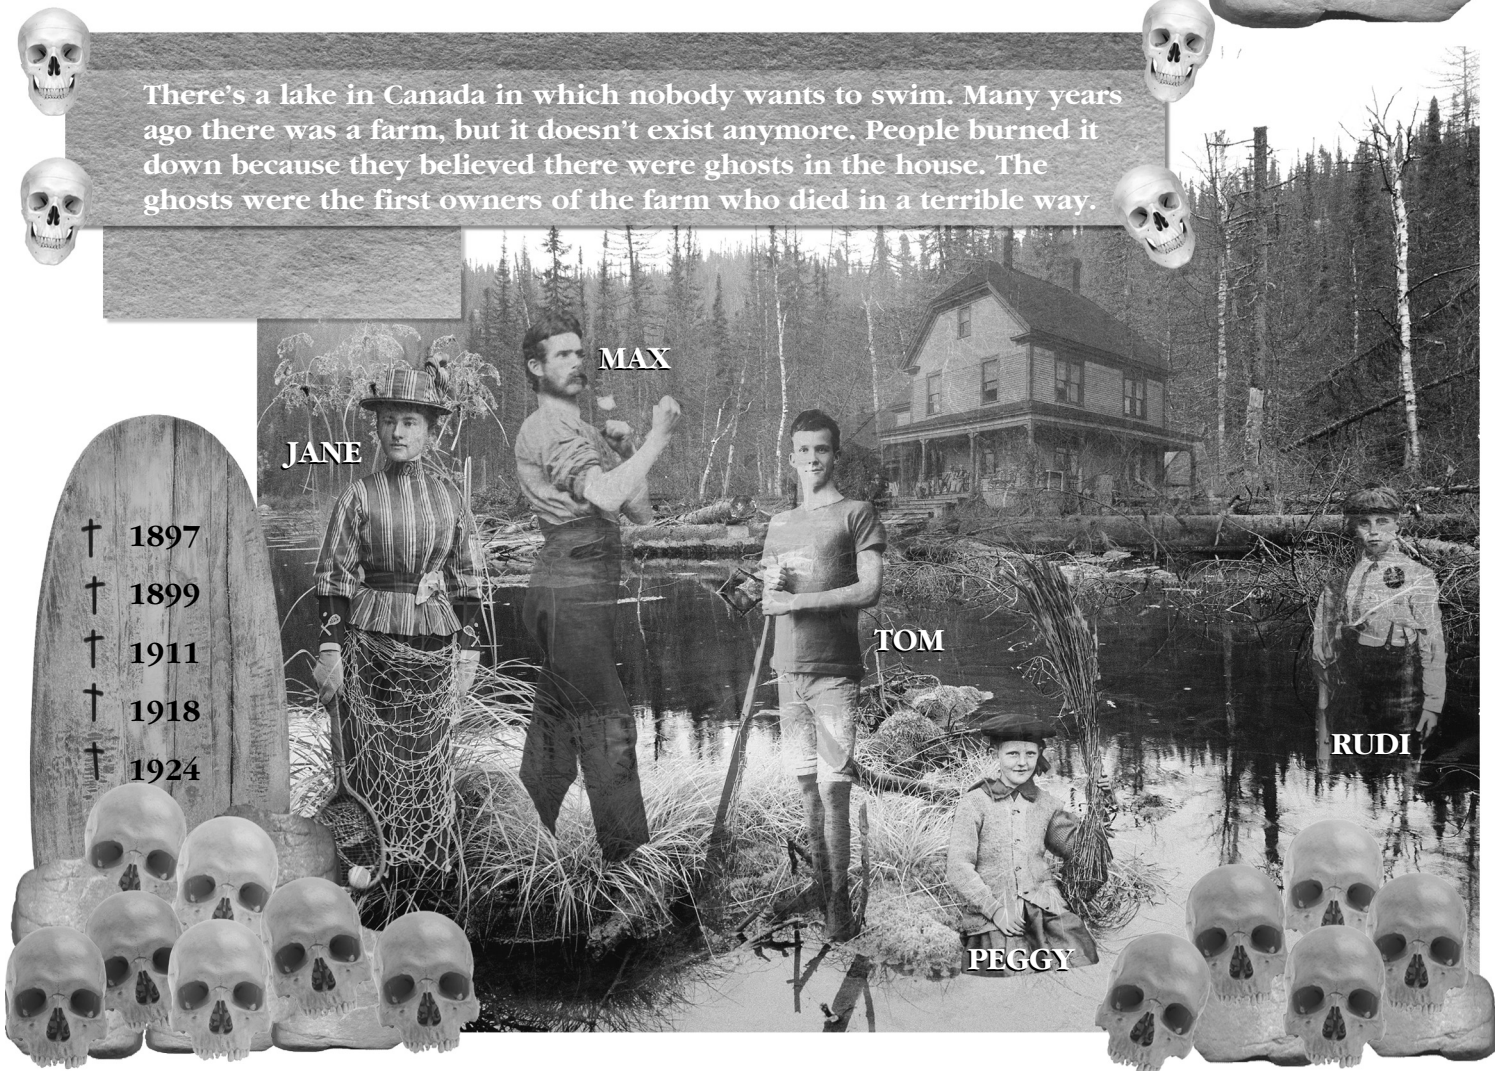

Jane didn't get married again. She lived on the farm alone and she was very unhappy. One day in 1924 she took a horse and went to the mountains. Her horse came back next day but she didn't. People say she fell off the horse.

# HAUNTED HOUSE

There's a lake in Canada in which nobody wants to swim. Many years ago there was a farm, but it doesn't exist anymore. People burned it down because they believed there were ghosts in the house. The ghosts were the first owners of the farm who died in a terrible way.

**1** Look at the family of the ghosts. What can you say about them? How old are they? Where do they live?

**2** Listen to somebody speaking about the ghosts and match the names and years when they died.

**WHEN DID THEY DIE?**

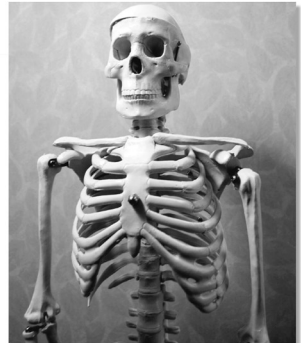

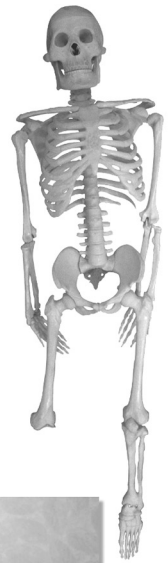

<b>a</b> JANE _____	<b>d</b> PEGGY _____ 1897
<b>b</b> MAX _____	<b>e</b> RUDI _____
<b>c</b> TOM _____	

**3** Listen again and find out how they died.
