

A dragon with a long, thin tail and wings is flying across a vibrant sunset sky. The sky is filled with streaks of orange, red, and purple, with a faint rainbow visible in the background. The dragon is positioned in the lower left, flying towards the right. The overall scene is romantic and atmospheric.

Obloha má farby dúhy,
letí jeden, letí druhý.
Sivý mesiac láskavý
tiež sa pri nich zastaví.
