# TÁ VECIČKA

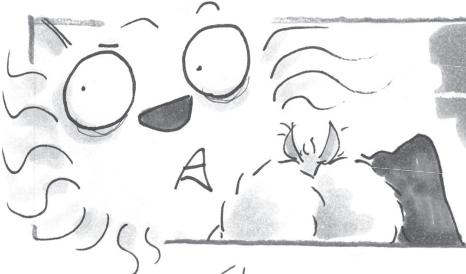

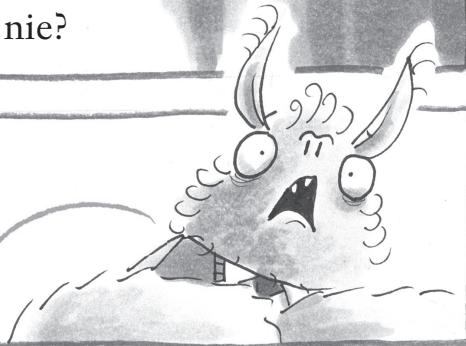

Mmmmuh...

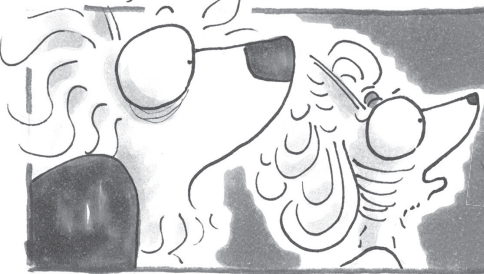

Áno či nie?  
Je to tadiaľto  
alebo nie?

Áno, ale naozaj vám  
musím niečo povedať...

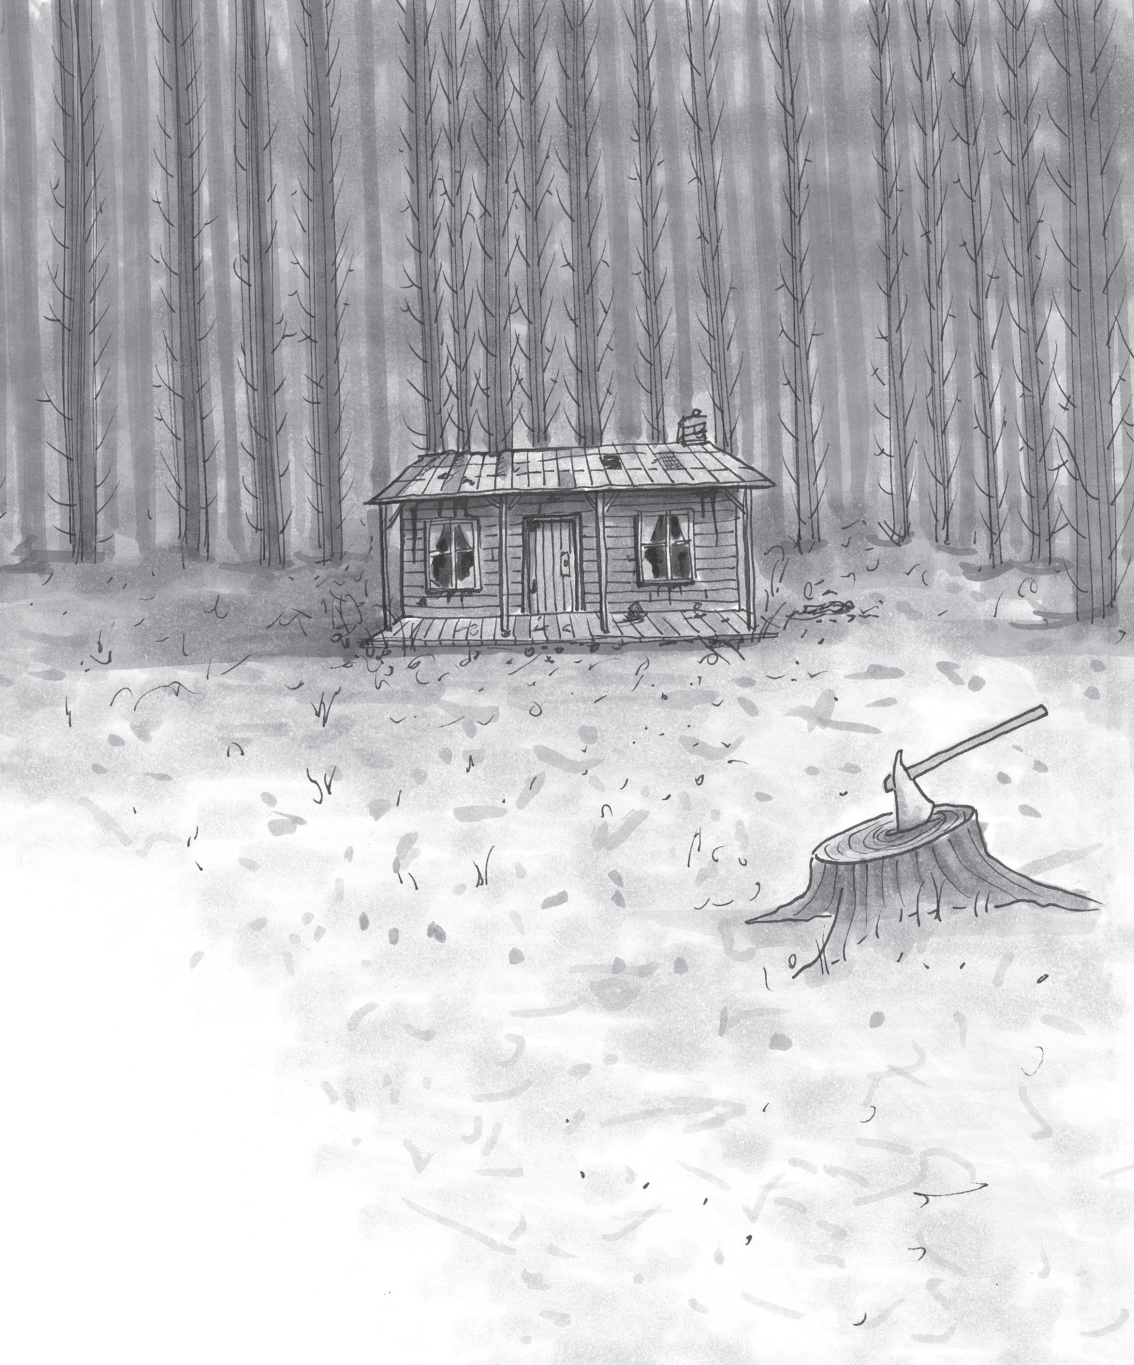

Sklapni, pán Úprimný.  
Povieš nám to,  
keď budeme na mieste.

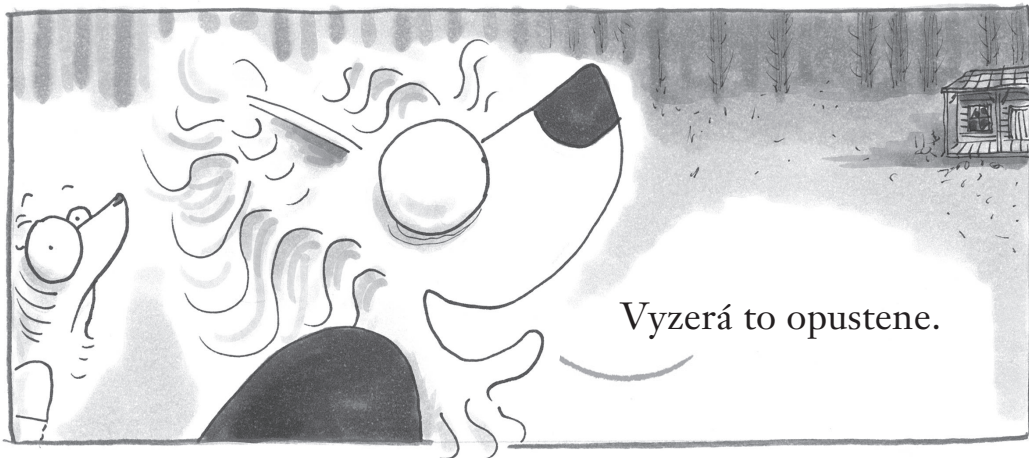

Ak by som mala hádať...

Povedala by som,  
že sme na mieste.

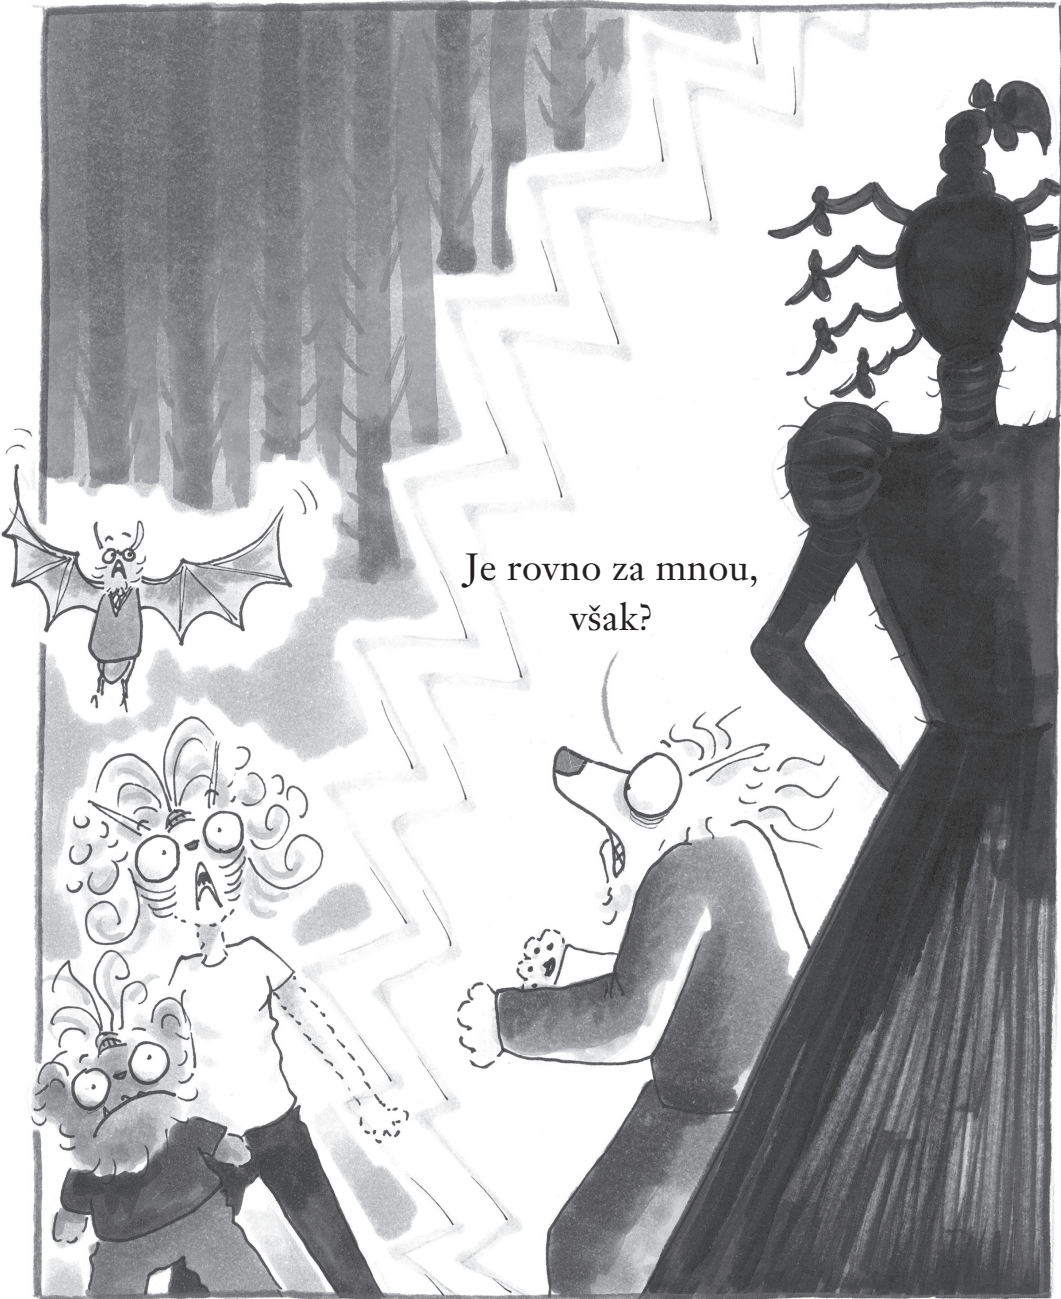

Vyzerá to opustene.

Možno sa na nás  
**USMIALO  
ŠŤASTIE,**  
nemyslíte?

Je rovno za mnou,  
však?
