

A whimsical autumn scene. On the left, a large tree trunk has a wooden birdhouse with a blue bird inside. A lantern hangs from a branch above. In the background, a scarecrow with a pumpkin head and a green jacket stands in a field of corn. A hedgehog is in the foreground, and a squirrel is on the tree. The sky is purple and pink with falling leaves and a large, faint face in the clouds.

Človečik mal každý deň toľko práce!

Staval hrady.

Opatroval zvieratá.

Dokonca si niekedy vymýšľal aj celkom nové  
a nevídané tvory či krajiny.

Rúčky mal od hlíny a k večeru cítil v nohách príjemnú únavu.

Stále toho bolo tak veľa, čo chcel urobiť!
